Experience

Senior Executive - Casagrand- Chennai

Sep 2025 - Present

- Managed website development, updates, and maintenance with a focus on security, performance, and UX.
- Coordinated cross-functional teams to deliver timely and high-quality website enhancements.
- Ensured responsive design, cross-browser compatibility, and quality assurance through manual testing.
- Supported WordPress customization and adhered to SDLC and documentation standards.

Web Developer - Kiluvai Tech Solutions Private Limited - Chennai

Jun 2023 - Dec 2024

- React.js Frontend Developer building scalable, reusable, and performance-optimized UI with modern JavaScript (ES6+).
- Experienced in WordPress theme customization and CMS-driven website development.
- Proven ability to translate Figma designs into modern, responsive UI components.
- Solid understanding of end-to-end SDLC processes and client-facing development.

Graduate Apprentice - Ministry of Defence – CVRDE, Avadi, Chennai

Nov 2021- Nov 2022

- Delivered secure, user-focused internal web pages with a strong emphasis on functionality, user experience, and application security, while managing workflows using Redmine, Alfresco, and Kanboard.
- Authored Configuration Management Plans in LaTeX and implemented Gantt charts and action-tracking systems to document versions, visualize timelines, and ensure on-time delivery.

Projects

Precision

- **Technologies:** Wordpress, Html, Css, Javascript, Bootstrap
- **URL:** <https://www.precisionit.co.in/>
- **Description:** This system converts responsive front-end designs into dynamic WordPress sites, ensuring visual appeal and seamless functionality across devices. Administrators maintain security and client needs through custom themes, plugins, and regular updates.

Innaitkey

- **Technologies:** Wordpress, Html, Css, Javascript, Bootstrap
- **URL:** <https://www.innaitkey.com/>
- **Description:** This system transforms responsive front-end designs into dynamic WooCommerce WordPress sites, optimized for all devices. Custom themes, plugins, and regular updates ensure secure, high-performance, and client-focused e-commerce solutions.

IntellectAI

- **Technologies:** Wordpress, Html, Css, Javascript, Bootstrap
- **URL:** <https://www.intellectai.com/>
- **Description:** This platform delivers responsive, device-optimized WordPress sites tailored for APAC, UK, and NA regions with custom themes, plugins, and strong security. Regular updates and regional adaptability ensure efficient management and a consistently high-quality user experience.

Shopping App (React + Redux)

- **Live Demo:** <https://mstore5826.netlify.app/>
- Built a responsive e-commerce application using React, Redux, and REST API integration.
- Implemented features like product listing, cart management, and wishlist.
- Deployed on Netlify for seamless hosting.

Awards

Won Third Prize in The National Conference on Advanced Communication and Power Systems.

Declaration
